WORK EXPERIENCE

Defy.vc

San Francisco, CA

Venture Capital Intern

June – August 2025

- Worked directly with the Managing & Founding Partner at a \$300M oversubscribed early-stage fund across the full investment lifecycle: due diligence, financial modeling, and portfolio company support
- Authored 10 investment memos spanning AI, infrastructure, logistics, construction tech, and CPG; each included competitive landscape analysis and financial return and exit modeling for partner review
- Delivered a full investment memo on Aztra Labs (AI supply chain digitization) under a 48-hour deadline; memo was distributed firm-wide and to co-investors at partner firms
- Attended founder pitches and in-office partner meetings; evaluated early-stage companies across seed and Series A including CRED, Jona Health, Amby Tech, Rivet Work, SENVO, Giadzy, and Cover/RE

Shift 5, Inc

San Francisco Bay Area

FP&A Intern

June – August 2024

- Built the company's inaugural customer P&L reporting directly to the CFO; outputs directly informed pricing strategy, deal structuring decisions, and investor-facing materials ahead of Series C fundraising
- Updated 3-year financial model including burn schedule, income statement, balance sheet, and cash flow statement
- Executed 36 deal profitability analyses across the full customer base using ACV, revenue, cost, and labor metrics to assess contract viability

Shift 5, Inc.

San Francisco Bay Area

Financial Risk & Inventory Contractor

March – June 2024

- Led full migration of legacy inventory data into NetSuite ERP, ensuring clean compatibility with new systems and enabling reliable historical data analysis across the finance team
- Designed and implemented automated invoice processing workflows for hundreds of supplier accounts, eliminating manual reconciliation and significantly improving operational efficiency

Orfalea College of Business, Cal Poly

San Luis Obispo, CA

Internal Support Student Assistant

January – September 2024

- Managed financial records and asset management projects in direct collaboration with finance department leadership, supporting both administrative operations and curriculum initiatives
- Streamlined department databases and record-keeping systems, improving accessibility and accuracy of financial and physical asset data across the college

LEADERSHIP & INVOLVEMENT

Investment Banking Society – Cal Poly SLO

Member

February 2023 – Present

- Selected as 1 of 9 students for a NYC immersion trip; completed Banking 101 curriculum executing comps, precedent transactions, LBO, DCF, M&A premiums, and future share price analysis
